

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

The airwaves should be public, and we need to adopt more rules to insure real public access. We do not need to lessen the restrictions on consolidation of the media resources into corporate for-profit hands. I am adamantly opposed to any loosening of these rules. Thank you.
